

## God's Love

God's love for mankind is what caused Him to send His very own Son in order to take their curses, and then He could give them His blessings.

This is the mystery of the Gospel of Jesus Christ.

1 John 4:8-11 KJV He that loveth not knoweth not God; for God is love. [9] In this was manifested the love of God toward us, because that God sent His only begotten Son into the world, that we might live through Him. [10] Herein is love, not that we loved God, but that He loved us, and sent His Son to be the propitiation for our sins. [11] Beloved, if God so loved us, we ought also to love one another.

In these verses we can see the power of God's love in operation. Without God's love for us, we would never have a chance to be saved. We would spend eternity in a place of torment called Hell, which was created for the devil and his angels.

I've found so many people begging God to give them something. They really don't know how much He loves them. When we know and believe the love that God has for us, we have assurance that anything we need will be given to us because of His love for us.

1 John [4:16](#) KJV And we have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him.

The devil has been winning against Jesus' Church, because they really don't know God's love for them.

When a child grows up in a home where Mom and Dad love them, that child has no problem believing that they will be provided for as long as Mom and Dad have enough provisions. Well, we know God has the provisions, but do we really know that He loves us?

This Newsletter is to inspire you to believe in His love for you.

God would never have sent His Son to die for our sins, if He didn't love us. So get that settled once and for all. If He loves you, He will take care of you! Not because He has to, but because He wants to.

As long as we are in this earth, we will have major problems arise in our lives. When we know the love God has for us, we will not be afraid of these situations; because our Father God's love for us will save us. Our part is to believe He loves us and call on that love when we need it.

Love you,

Pastor Paul
