

## The Resurrection and The Life

When Jesus raised from the dead, something happened that changed everything for the people that receive Him. Jesus conquered death for them! They no longer have to fear death!

Hebrews [2:14-15](#) NLT Because God's children are human beings-made of flesh and blood-the Son also became flesh and blood. For only as a human being could He die, and only by dying could He break the power of the devil, who had the power of death. [15] Only in this way could He set free all who have lived their lives as slaves to the fear of dying.

I have been studying on the subject of resurrection for over 3 decades, and I'm more excited about it today than I have ever been. On the other hand, many Christians have not studied the subject; and that is why they are so distraught when a friend or family member dies physically. I hope you will let this Newsletter give you great hope in resurrection and cause you to study this subject.

These verses can explain not only Jesus' resurrection, but the hope of ours as well. They are taken from 'The Voice' translation, which gives the reader a better picture of resurrection.

1 Corinthians 15:20-28 Voice But the Anointed One was raised from death's slumber and is the firstfruits of those who have fallen asleep in death. [21] For since death entered this world by a man, it took another man to make the resurrection of the dead our new reality. [22] Look at it this way: through Adam all of us die, but through the Anointed One all of us can live again. [23] But this is how it will happen: the Anointed's awakening is the firstfruits. It will be followed by the resurrection of all those who belong to Him at His coming, [24] and then the end will come. After He has conquered His enemies and shut down every rule and authority vying for power, He will hand over the Kingdom to God, the Father of all that is.

[25] And He must reign as King until He has put all His enemies under His feet. [26] The last hostile power to be destroyed is death itself. [27] All this will happen to fulfill the Scripture that says, "You placed everything on earth beneath His feet." (Although it says "everything," it is clear that this does not also pertain to God, who created everything and made it all subject to Him.) [28] Then, when all creation has taken its rightful place beneath God's sovereign reign, the Son will follow, subject to the Father who exalted Him over all created things; then God will be God over all.

Ever since man started studying the human body, they have been seeking to stop death. Since they have found out about DNA, they have really stepped it up. They have thought that one day they will be able to stop aging and sickness and disease. However the one thing they are missing is that death comes through sin; not just germs. The only hope that man has is to be resurrected in Jesus. Don't miss what I said. To be resurrected in Jesus is the greatest thing that can ever happen to a person. But there is another resurrection It's called the resurrection of damnation.

John 5:28-29 KJV Marvel not at this: for the hour is coming, in the which all that are in the graves shall hear His voice, [29] And shall come forth; they that have done good, unto the resurrection of life; and they that have done evil, unto the resurrection of damnation.

Those that don't receive Jesus and have their sins blotted out will spend eternity with the devil and his demons. So on this Resurrection weekend, encourage all your friends and family members to give their lives to Jesus; so they can be resurrected into God's glorious Kingdom. Also invite them to Service tomorrow, and we believe they will be saved.

Love you,  
Pastor Paul
