

Born Twice

We, as Christians, are the only group of people on the earth that has been born twice. The miracle of the new birth is not understood by those that have never experienced it.

John 3:5-6 KJV Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the Kingdom of God. [6] That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.

I remember my spiritual new birth like it was yesterday, even though it happened over 40 years ago. I went to Church on that [Sunday morning](#) just to appease my wife, who had been born again a few months before. On that [Sunday morning](#), my life changed forever. I didn't know all that had happened to me that day, but I knew I was a different man. Over the years, though, I have come to realize what happened to me by studying the Bible.

When a person is born again, they receive a reborn spirit. There is awesome potential in them; they have the same nature as God has in Himself. They can live Godly with God's ability. To forgive somebody is easy- with the nature of God. To give is easy- with the nature of God. To live like God is easy- with the nature of God.

When I was a mechanic, I had many tools that were called hand tools; and I also had power tools. These power tools gave me the ability to do jobs so much easier and faster. When Christians use their reborn spirit to live for God, it's like using the power tools; it becomes easy to live out God's desire.

About 25 years ago, I was introduced to some books that changed my life. The author of the books was E.W. Kenyon. He was born in 1867 and died in 1948. One of the books that really impacted my Christian life was 'New Creation Realities'. In this book, he taught about the reality of our new birth and the new nature that we now possess. He taught me that the struggle to live a Godly life should not be hard, but easy. He taught that our inward spirit man has to be accepted as real by our minds, just like we accept our natural bodies as real. He taught me to start thinking of myself as a new person, even though my body was not new.

Living the Christian life became so much easier to me through this revelation. I'm not the person I used to be. I'm born again.

Every Born again person when they start thinking of themselves after the new person, will live God's high life.
