

I'm Not A Problem Solver – I'm A Promise Believer

Proverbs [4:18](#) KJV But the path of the just is as the shining light, that shineth more and more unto the perfect day.

Genesis 26:12-13 KJV Then Isaac sowed in that land, and received in the same year an hundredfold: and the Lord blessed him. [13] And the man waxed great, and went forward, and grew until he became very great:

Living in the past is living outside of faith. Faith is the substance of things hoped for; the evidence of things not seen.

Hebrews 11:6 KJV But without faith it is impossible to please Him: for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him.

When we think about the problems or the troubles that we are having and the bad things that have happened in our past, we are not walking and living by faith. God is not pleased with us when we don't live by faith. So let me tell you about something that Satan uses against us: Many Christians think that they have the responsibility to be problem solvers instead of Promise believers. When we believe what God's Promises say about us and others, that belief will drive the problems out of our lives. To focus on the problems instead of God's Promises will cause the problems to become bigger and even more in number. Today, ask the Lord to help you to stop being a problem solver and to become a Promise believer.

2 Corinthians [1:20](#) KJV For all the promises of God in Him are yea, and in Him Amen, unto the glory of God by us.

Because we are in Jesus, whenever we ask for God's promises to come to pass in our lives, He always says "Yes"!

With troubles becoming more and more prevalent in the earth, we must recognize that God will solve every one of them by us believing His promises.

Love you,

Pastor Paul
