

God's Predestination Plan

Be prepared for a supernatural manifestation of God! It is right around the corner! When 9-11 occurred, our country went through one of the worst attacks on our homeland that has ever happened. Our country's enemy that hated us planned and carried out an attack that woke us up. Our military and intelligence agencies had been downgraded during our so-called time of peace before 9-11. America had been rocked to sleep, but when 9-11 hit, this nation arose to the occasion. Our wonderful and brilliant military let our enemies know that we were not afraid of them. We took the battle to where they lived! We hunted them down and let them know who was more powerful!

Now let's go back before 9-11. How about 9-10? If we would have known on 9-10 what we learned on 9-11, our nation never would have suffered the loss we experienced. Why didn't we know? Here is the answer - we didn't have intelligence. We didn't know what the enemy was planning; and because of that, our nation suffered so much. The CIA and our military had been downgraded, even though we had major prosperity in the 90's. During the years when President Clinton was in office, the country had millions of dollars of surplus. We could have used that money to build the strongest intelligence agency that the world has ever known. We could have had under-cover operatives in every country in the world; we could have known exactly what our enemies were planning.

Notice the words I keep using 'we could have'. We didn't though, because the people in charge underestimated the threat that our enemies posed. Many of those who died on 9-11 voted for the ones in charge of this country, and that made us weak and vulnerable to our enemies. We had people die that day that never should have died. With this illustration, let us move into the subject of our Newsletter today...

God has plans for our lives that are good and not evil.

Jeremiah 29:11-14 NLT For I know the plans I have for you," says the LORD. "They are plans for good and not for disaster, to give you a future and a hope.[12] In those days when you pray, I will listen. [13] If you look for Me wholeheartedly, you will find Me. [14] I will be found by you," says the LORD. "I will end your captivity and restore your fortunes. I will gather you out of the nations where I sent you and will bring you home again to your own land."

In these verses, we see that God was telling His people the plans He had for them. Now these verses were spoken to the children of Israel by Jeremiah the prophet. Before God does something supernatural to deliver His people, He speaks to them to give them insight about what He's going to do. Within the Bible is God's plan for our future! When we study God's Words, and believe them, we will start seeing His plans coming to pass in our lives.

The enemy that attacked us on 9-11 had planned out the attack for months and years before it happened. God has planned our lives out before we were born. He has the good life to give us! We must study God's plans for us, let faith arise in our hearts, and then believe and receive them! They will happen to us!

Now let's read from verses 12-14 again. In those days when you pray, I will listen. If you look for Me wholeheartedly, you will find Me. I will be found by you," says the LORD. "I will end your captivity and restore your fortunes".

I'm more convinced than ever that God is going to show up in a powerful way in these last days. Our enemy, the devil, is going to run right into the plans of God that

are manifesting in our lives. He is going to wish he had never messed with God's chosen children.

As I close, if you're under attack and you don't feel like God is helping you; I speak to you in the Name of Jesus. You are God's child, and your God will see you through the trial you're going through! You're going to see your powerful Heavenly Father stop the devil's attack in your life! Read God's plans for you over and over until you no longer think weak, but strong!

Love you,
Pastor Paul
