

Faith in God's Promises Release His Blessings

2 Corinthians [1:20](#) KJV For all the promises of God in Him are yea, and in Him Amen, unto the glory of God by us.

To receive anything from God, we must ask according to God's will. When we find promises in the Bible that are written to believers in Jesus, we must take them personally. We must claim them for ourselves, before they will come to pass in our lives. God loves everyone in His family, and He wants to bless every one of us. I want to encourage you today to be a Promise believer and a Promise receiver.

1 John [5:14-15](#) KJV And this is the confidence that we have in Him, that, if we ask any thing according to His will, He heareth us: [15] And if we know that He hear us, whatsoever we ask, we know that we have the petitions that we desired of Him.

In these verses, we see that God will bring to pass in our lives all that we believe and ask for; according to His will. Remember His will is in His written Word. When we read the Promises in the Bible, we can claim them; and God will bring them to pass.

God chose prayer as the avenue by which He would bring forth His blessings in our lives. Most people do not receive much from the Lord, because they don't pray God's promises to Him. If we pray God's Promises, they will surely come to pass in our lives.

I challenge you to not focus on your problems, but focus on what God's Promises say. The problems in our lives must be challenged with God's Promises, and they will have to leave.

Love you,

Pastor Paul
