

Jesus is Against Sin -- Not the Sinner

We were made sinners by Adam; we had no choice about it. Adam sinned, and the nature of sin was put into mankind by his sinful DNA. Every baby is born with sin in their nature. Their nature is to sin like a dog's nature is to bark. In order to stop sin in mankind, Jesus had to go to the cross; thus breaking the power of sin. Every person can be born again and have Jesus' DNA in them. After they are born again, they can live righteously through the new nature of Jesus in them.

Right now the devil is trying to get the Church to be against the sinners in the world. We must not take the bait. We should not get into a heated debate with them. Our job as Christians is to give the Good News to them that God sent Jesus to the earth to save them; not to condemn them. We must reveal to them how mankind became sinners. Most sinners today think that are sinners because they sin; this is completely wrong. Sinners sin because they were born to sin, and the only way to stop a person from sinning is for them to be born again.

Now let's look at some Scripture verses that bear this revelation out.

Romans 6:23 KJV

[23] For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.

1 Corinthians [15:21-22](#) KJV

[21] For since by man came death, by Man came also the resurrection of the dead.

[22] For as in Adam all die, even so in Christ shall all be made alive.

Romans 5:12 KJV

[12] Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned:

Romans 5:19 KJV

[19] For as by one man's disobedience many were made sinners, so by the obedience of One shall many be made righteous.

In these verses we can plainly see that Adam made us sinners. We were born in the flesh from our moms and dads, and they were born from their moms and dads. But where did we all come from in the flesh? We came from a sinner named Adam, and we started sinning because of our sinful nature.

I believe there has been a lie told by the devil that has kept so many people from receiving their salvation. The lie is this; mankind is born morally good. This is wrong! The nature in mankind is selfish and devilish. Just think about how many children lie to their parents. Their parents do not teach them to lie; they do it automatically, it's in their nature. You have to train them not to lie. Parents have to teach their children to overpower that sin nature. Most of the time, the training has to have a punishment involved with it, or the child will not stop doing what comes natural to them - which is

sin.

We as Christians have a job to do. We must explain to the world why they need to get born again. We must let them know the Good News and give them our testimony about how God has changed us by giving us the new birth. They are waiting on us! Let's go get them, and bring them into the family.

Love you,
