

It's Time For God and Us to Break Some Barriers

For years, many aviators thought that man could not fly faster than the speed of sound, believing it would tear any aircraft apart. But on October 14, 1947, U.S. Air Force Captain Chuck Yeager flew the X-1 over Rogers Dry Lake in Southern California. Lifted to an altitude of 25,000 feet by a B-29 aircraft, it was released through the bomb bay, rocketing to 40,000 feet and exceeding 662 miles per hour, the sound barrier at that altitude!

When Adam sinned, he not only caused us to die, he caused us to be locked out of God's spiritual world. Mankind was bound to the five-sense-knowledge world. Both the Old and the New Testaments show that God combined the natural and the spiritual worlds. When He did, the natural world changed dramatically! I believe God, Who lives in the Spirit, wants to break through the physical barrier and once again visit His people daily.

Now if we truly are living in the last days before Jesus comes back, the Bible has promised us, His last-day sons and daughters, that He is going to do supernatural things through us. Let's look at what He has said will happen.

Acts 2:17-21 KJV And it shall come to pass in the last days, saith God, I will pour out of My Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: [18] And on My servants and on My handmaidens I will pour out in those days of My Spirit; and they shall prophesy: [19] And I will shew wonders in Heaven above, and signs in the earth beneath; blood, and fire, and vapour of smoke: [20] The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come: [21] And it shall come to pass, that whosoever shall call on the Name of the Lord shall be saved.

Notice in verse 18 that God pours out His Spirit on His servants and handmaidens. In verse 17 He said He would pour out His Spirit on His sons and daughters. When He does this, supernatural things start occurring in the natural realm.

Since man broke the sound barrier, he has broken so many other barriers. Mankind even lives in space, in space stations. Why did these things not happen 500 years ago? I believe God sets limits on man according to His time table. If you question that, go back in the Old Testament to the tower of Babel.

Genesis 11:5-9 KJV And the Lord came down to see the city and the tower, which the children of men builded. [6] And the Lord said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. [7] Go to, let Us go down, and there confound their language, that they may not understand one another's speech. [8] So the Lord scattered them abroad from thence upon the face of all the earth: and they left off to build the city. [9] Therefore is the name of it called Babel; because the Lord did there confound the language of all the earth: and from thence did the Lord scatter them abroad upon the face of all the earth.

Today man is not divided by the language barrier. If God stopped mankind back at Genesis 11 from being able to communicate by dividing their languages, why doesn't He stop it today? I believe it's because we're living in the last days. Jesus is coming back very soon; but before He does, He is going to show the world that He is God! Just like He showed Pharaoh, you don't mess with God's children!

If you are truly born again, get ready for some of Moses' and Joshua's anointing to come on you!

It's time to break those spiritual barriers!

Love you,

Pastor Paul
