

Free From Christian Prejudice

1 Samuel 16:7 KJV But the Lord said unto Samuel, Look not on his countenance, or on the height of his stature; because I have refused him: for the Lord seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart.

People are prejudiced about a lot of things. For example: some young people are prejudiced against older people, and some older people are prejudiced against younger people. Some educated are prejudiced against the uneducated and some uneducated against the educated. Some poor people are prejudiced against the rich people and some rich people against the poor people.

I believe that God is telling us in these last days to put away from us all judgmentalism and see our fellow brothers and sisters the way He sees them. God does not look on the external; He looks at the heart of a person. We must learn to remove from our minds the belief systems we've had in the past that are not Biblical. What Momma and Daddy taught us about the world and the people in it could be ungodly. We should get into the Bible and find out God's way of thinking about everything. When His words get down into our hearts, those words will drive out any kind of hate that we might have for any group of people. If we listen to the words of Jesus long enough, we will find ourselves falling in love with people while hating the sins they commit and we commit. We must never condone any person's sin, especially our own. Remember the sins of all of us caused Jesus to have to die an agonizing death!

In our modern day, there are so many people that hate God and His children. I believe that many of them want to live a life of sin, and they don't want any Christians putting a cramp on their life style. Jesus said, "If they have hated Me, they will hate you." But there is also another reason why some people hate Christians. A lot of people in the world think Christians don't love or care about them. Some Christians are always judging the world's sins without revealing to them why humans sin. I believe that many Christians don't know how to reveal to the sinner why they sin. For years, I thought the reason I was a sinner was because I sinned. But one day I heard a message that changed my whole life. I learned that Adam sinned in the garden; and, therefore, his seed was contaminated with the nature of sin. All people have come from Adam, so all people have a sin nature that causes them to sin automatically until they receive Jesus and are born again. If we would give this message to the world, many of them would receive us instead of reject us.

The definition of prejudice is: an unfair feeling of dislike for a person or group because of race, sex, religion, etc.: a feeling of like or dislike for someone or something especially when it is not reasonable or logical

I encourage you today to show sinners the truth about why they sin and why we sin. Many of them will receive us and be born again.

We love you,
Pastor Paul & LeJeune
